# PMA Funding Extends PSP Status with ICBA®

**Naperville, IL – October 4, 2016** – PMA Funding (PMA), a service of PMA Financial Network, Inc. and PMA Securities, Inc., is pleased to announce an extension as a Preferred Service Provider (PSP) with the Independent Community Bankers of America® (ICBA). Through the continued relationship, ICBA members receive value-added funding from PMA's network of political subdivision depositors.

"PMA's funding program gives community bankers flexibility to diversify funding and manage cash flow on their scale," said Dan Clancy, ICBA Executive Vice President of Services. "ICBA is happy to continue this relationship, which brings one of the largest pools of public funding to community banks."

As a Preferred Service Provider since 2009, PMA Funding offers value-added funding to community banks from PMA Funding's network of political subdivision depositors. Through the program, community banks are able to efficiently and proactively manage costs, diversify funding sources, and access stable and consistent deposits.

"As a PSP with the ICBA, PMA partners with community banks to facilitate liquidity needs and develop diversified funding strategies using proprietary analysis which has resulted in billions of dollars of stable funding for ICBA banks throughout the years. The ICBA is a true advocate for community banks and we're honored to be a PSP with this extraordinary organization," stated Jim Lutter, Senior Vice President of PMA Funding.
